November 25, 1996

Mr. Scott Loven  
Industrial Laminates/Norplex  
Post Office Box 977  
Postville, IA 52162 0977

Dear Mr. Loven:

RE: Industrial Laminates/Norplex  
665 Lybrand Street  
Postville, Iowa  
EPA RCRA ID No. IAD073489288

Because you are identified in our records as being a Large Quantity Generator (LQG) of hazardous waste regulated under the Resource Conservation and Recovery Act (RCRA), we are providing you with a copy of a new EPA publication: *"Hazardous Waste Requirements for Large Quantity Generators," (EPA 530-F-96-932, June 1996).*

We would also like to take this opportunity to advise you that a new regulation becomes effective on December 6, 1996, which regulates air emissions from certain tanks, containers and surface impoundments at LQG facilities, as well as treatment, storage and/or disposal facilities. These new regulations are found at 40 Code of Federal Regulations (CFR) Part 264 Subpart CC.

To obtain a copy of these new regulations or if you have any other questions, you may call either the RCRA/Superfund/EPRCA Hotline in Washington, D.C., at 1-800-424-9346, or our Region 7 Iowa RCRA Hazardous Waste Helpline, (913) 551-7861.

Sincerely,

Harriett L. Jones, P. E.  
Permits Team Leader  
Iowa RCRA and State Programs Branch  
Air, RCRA, and Toxics Division
